Leave the tight, drab, laborious style behind and take your paintings to a new level. This *en plein air* workshop focuses on capturing the essence of the stately Chalfonte Hotel, its unique architecture, its secret gardens, and the timeless beauty of Cape May.

Join Marie as she guides you on a journey exploring your inner artist, showing you a fearless method of using the vibrancy of color, and capturing the drama of light and shadow.

Be amazed at the fresh, clean and luminous results when using proper brush techniques and a direct painting method. Marie is known for her friendly teaching style, making classes both fun and informative. Come join us for a great painting experience.
