Leave the tight, drab, laborious style behind and take your paintings to a new level. This *en pleine air* workshop focuses on capturing the essence and charm of historic Cape May...its unique architecture, lush secret gardens, boats, waterways, wineries, and working farms.

Join Marie as she guides you on a journey exploring your inner artist, showing you a fearless method of using the vibrancy of color and capturing the drama of light and shadow. Be amazed at the fresh, clean and luminous results when using proper brush techniques and a direct painting method. Marie is known for her friendly teaching style, making class both fun and informative.

Come join us for a great painting experience.
